Culver's on the Horizon for Sanders Court

Families craving burgers, cheese curds and frozen custard may soon have a new Culver's restaurant in Northbrook to satisfy their needs. Plans for the restaurant received mostly favorable comments from Trustees during a preliminary review at the February 12 Village Board meeting.

The proposed Culver's will be on a currently-vacant outlot at Sanders Court, on the southwest corner of Dundee and Sanders Roads. Plans for the 4,100 sq. ft. fast-casual restaurant include seating for 89 customers and a drive-through window on the west side of the building. An electronic message sign would be located at the northeast corner of the site. The restaurant

would operate from 10:00 a.m. to 11:00 p.m. seven days a week.

Although no vote was taken, remarks from the Board indicated their overall support for the proposal. Trustee Buehler stated that the restaurant could bring some much needed life to the Sanders Court shopping center. "My hope is that the development of this can make a positive contribution to the success of the shopping center and continue to be an important part

Wells Fargo Executive to Headline Economic Outlook Breakfast

Featuring Erik Davidson
Chief Investment Officer

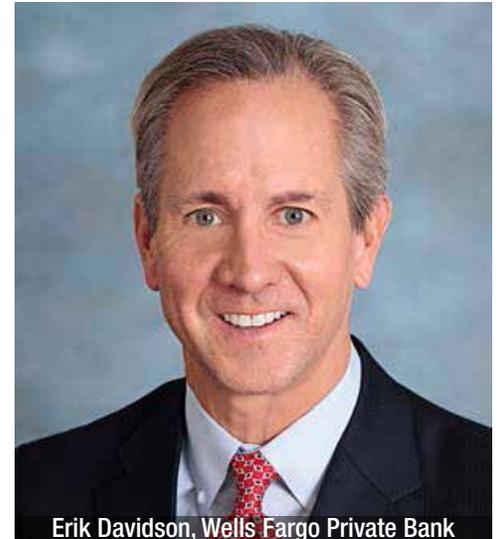

THE PRIVATE BANK

Wednesday, May 1, 8:00 a.m.
Hilton Chicago/Northbrook
\$30 in advance; \$40 at the door

With the news cycles dominated by conflicting information and perspectives, it helps to have a seasoned eye offer a balanced look at the current economy. We are excited to welcome back Erik Davidson, Wells Fargo Private Bank Chief Investment Officer, to share his views as Keynote Speaker of this year's Economic Outlook Breakfast. This informative annual event is held in partnership with the Deerfield Bannockburn Riverwoods (DBR) and Glenview Chambers.

Davidson returns as our presenter for the second time, allowing him to build on the themes he raised at the 2018 event. He will examine the current economic climate as it weathers tariff policies, political shifts in Illinois and Washington D.C., and other areas of uncertainty.

On one hand, the U.S. economy is

Erik Davidson, Wells Fargo Private Bank

rolling at an all-time high. Despite some short-term dips, the bull market in stocks has continued for the longest stretch in history, as has the consistent stretch of economic expansion. Consumer confidence is also at its highest level in almost 20 years. However, concerns about what may be around the corner weigh on the minds of investors. Instability in overseas economies (fueled by floundering Brexit talks and slowdowns in China) combine with the extreme polarization of U.S. politics and tightening monetary policy to raise doubts about how long growth can be sustained.

Davidson's presentation will take a

Plans Underway for June 14th Golf Outing

UPDATE! Dundee Road Closure to Begin April 14

As described in previous newsletters, Dundee Road will be closed to through traffic between Waukegan Road and Skokie Boulevard beginning April 14. IDOT will be replacing a culvert bridge at the intersection of Dundee and Lee Road, as well as the road surface above it and some other ancillary work. Although main commuter traffic will be directed to Lake Cook Road as an alternate, Shermer Road will remain

accessible from Dundee as a local route to downtown Northbrook.

The Chamber has partnered with Village officials to share information with businesses affected by the closure. To receive updates on the project, go to Northbrook.il.us, search for "Notify Me" and select the Dundee Road Bridge/Culvert for email or text notifications.

A Message from the Chamber President

Last month, our Small Office/Home Office (SOHO) Lunch offered tips on how to take advantage of the Chamber's marketing tools. We had a packed room of participants and a lively conversation

about ways to raise your business's profile both within the Chamber and to the public. Thank you to those attendees who described how they've partnered with the Chamber on their marketing efforts. We've already seen an uptick in questions about how to get started!

Your membership includes a number of easy ways to publicize your business at no additional cost. We encourage you to send us info about special events, awards, product launches, and other news that can be shared in our monthly e-Announcements or our newsletter's Business Briefs. For announcements that need to be made on short notice, we can help spread the word on our Facebook pages.

You also have the opportunity to make your business stand out on our website by sharing a "Hot Deal" promotion. Hot Deals are free advertisements for discounts or special offers. When your offer is posted, a special Hot Deal icon appears next to your member listing on the Chamber website. Each month's newsletter features Hot Deal "teasers" based around a

theme, to drive readers to check out Hot Deals on the website. For an example, turn to the back page of this newsletter to see promotions from several of our newer members. I encourage you to go on our website to take advantage of these offers, and to consider posting one for your business. Feel free to contact Carolyn, our Communications Manager, for assistance with any of these promotional tools.

We are all excited for the arrival of spring and my favorite time of year-- golf season. Be sure to mark your calendar for the Chamber's annual Golf Outing at Sportsman's on June 14. Members love this event because they get to know each other better with friendly competitions, fun activities, and a relaxed dinner at Marcello's to finish the day. Registration information will be coming soon but for now, save the date! (We still have a few hole sponsorships available, which is a great opportunity to connect with other members and business leaders -- if you'd like to sign up, please let us know as soon as possible.)

Thank you to everyone who has turned out for our great winter events. Be sure to register for the Economic Outlook Breakfast on May 1 at the Chicago Northbrook/Hilton. Our presenter, Erik Davidson of Wells Fargo Private Bank, will share his expert insight regarding the global economy and how investors can best prepare for changing times. We'll look forward to seeing you there!

Economic Outlook cont. from pg. 1

data-driven look at the full economic picture, offering information on risks and opportunities facing investors. Wells Fargo recommendations include lowering allocations to rate-sensitive assets, positioning for growth in equity markets, maintaining positions in high-quality fixed income, diversification into international assets, and deploying cash as necessary to respond to increasing volatility.

With more than 30 years of experience in financial services, Davidson has been with Wells Fargo for 14 years in a number of investment leadership positions at both the regional and national level. He currently leads a team of national investment professionals, overseeing more than \$180 billion in assets for high net worth private clients. His areas of responsibility include global equity and fixed-income portfolio management and research, guided portfolios,

and investment products, tools, and analytics. Davidson serves as the primary spokesperson on Wells Fargo Private Bank's investment strategy, speaking frequently at investment conferences. He has been frequently interviewed by financial media outlets including The Wall Street Journal, The New York Times, CNBC, Fox Business News, Reuters and Bloomberg.

Davidson co-authored the book *Investing in Separate Accounts* and has authored numerous investment-related articles. Currently a Doctoral candidate at DePaul University's Graduate School of Business, he is doing his dissertation in the area of Behavioral Finance. He is a Chartered Financial Analyst (CFA) and has an MBA from UCLA's Anderson School of Management.

To register your attendance, return the enclosed Sign Up sheet, register online at northbrookchamber.org or call (847)498-5555.

Village Grants Liquor Licenses for BasketWorks and Mark Vend

Two Northbrook businesses recently received Class B Liquor Licenses from the Village Board, allowing for specialized sales of alcohol to meet the needs of their customers. Pursuant to Consent Resolutions, BasketWorks was granted a license to enable it to sell package liquor in its gift basket products. The second license, to Mark Vend Company, allows the delivery of alcoholic package liquor to businesses for consumption on the customer's premises.

According to Village memoranda, "Class B licenses authorize the sale of all alcoholic beverages in original package form only for consumption off the premises specified." Approval of the Northbrook licenses is only part of the process; both companies now need to receive authorization from the State of Illinois before offering liquor sales to their clients.

Ever since launching her business in 1997, BasketWorks owner Lise Schleicher has been curtailed in her ability to customize gift baskets with wine bottles or other alcoholic beverages. Her customers needed to obtain the bottles themselves and then deliver them to her for packaging, a cumbersome process out of step with current online retail competitors.

The new license will allow her company to supply a selection of wines, beers or spirits that can be added to almost any basket. Customers will be able to make selections directly from the BasketWorks website, strengthening the company's foothold as an internet-based business.

"We are also looking at a variety of Chicago-centric products for new arrangements," notes Schleicher. "One option would be a waxed-canvas holder for beer bottles with a sampler of Chicago microbrews." She hopes to have new options available in May, pending completion of the state's requirements.

For Mark Vend, expanding into liquor delivery is a direct response to customer expectations. According to co-owner Daniel Stein, "Craft beer service in offices is no longer an anomaly, it's become the norm. It's grown beyond tech companies to include our financial service clients, law offices and other professions." Stein estimates that 25-30% of Mark Vend's top clients would want to supply their offices with either keg or bottled craft beer, and that single-sourcing food

Lise Schleicher, BasketWorks

and beverage needs provides a significant advantage for the customer.

Stein commends the Village for conducting a thorough, transparent process of reviewing the company's application. He notes that Mark Vend has been based in Northbrook since 1977, and that their longevity gave extra credibility to their request.

"We're glad that the Village understood our need for this. It was a long process, but we respect that the Village did its homework and due diligence in a fair and transparent way," says Stein.

7-Eleven Gas and Store Proposed for Waukegan Road

A longtime gas station at the corner of Waukegan and Shermer Roads will have a new brand and look under a preliminary proposal presented to the Village Board. GW Properties, new owner of the property, plans to demolish the current Mobil gas station and car wash and build a 3,000 square foot 7-Eleven convenience store with five gas pumps and a new carwash facility. The same company has a similar 7-Eleven proposal underway for the current Mobil station at Techny and Shermer Roads.

Trustees were enthusiastic about the envisioned improvements to the current gas station, which Trustee Ciesla characterized as "tired, but always busy." The new design reduces the current multiple curb cuts to

only one on both Shermer and Waukegan, a strategy that the Board felt was safer. Trustee Israel indicated his concern for noise and light spillover, which might require limits on hours of operation. Trustee Collison questioned the lack of a defined loading space for the store's retail products, concerned about traffic disruptions caused by truck deliveries.

Trustee Collison also asked about the impact the two new 7-Eleven developments would have on the existing store at 1512 Shermer Road. Mitch Goltz of GW Properties stated that the present store will be closed once the new gas station and store to the south have opened.

The Board referred the proposal for the Waukegan Road 7-Eleven to the Plan Commission and Architectural Control Commission for further review.

Culver's cont. from pg. 1

of our commercial community," said Buehler.

Some Trustees had suggestions regarding design elements of the proposal, with Trustee Ciesla arguing that the drive-through should not stack cars on the Dundee Road side of the building and Trustee Israel stating a preference to locate the patio on the south side of the structure. President Frum, however, argued against the Board overthinking the design.

"I just want whatever they do over there to be successful," she noted, "so I don't want us to micromanage what it looks like or how it's laid out because I do think they know what they're doing." She stated that she would want to see the electronic signage to be allowed only by special permit, to maintain Village control over future applications for such signs.

The proposal will be reviewed in the coming months by the Plan Commission and Architectural Control Commission.

Plans Well Underway for June 14th Golf Outing

Hole Sponsorships Still Available

Temperatures are rising, and so is our excitement for the start of golf season! The Chamber's Golf Outing, scheduled for Friday, June 14 at Sportsman's Country Club, is always a high point of the year for anyone who enjoys a social day of friendly competition on the links. Plans are well underway to make this year's event a great experience for everyone.

The annual Golf Outing is an important fundraiser for the Chamber, and members are invited to participate through sponsorships. We are happy to report that our major sponsorship roles have been filled

-- thank you! -- but we can still welcome more members to be Hole Sponsors. For a small investment, Golf Outing sponsors enjoy high visibility at the daylong event, with recognition in all collateral materials and on signage throughout the course.

To reserve your sponsorship slot, return the enclosed flyer or contact Katie Walther at (847) 513-6003. Don't delay: signing up early increases your exposure on all promotional materials including ads in the Northbrook Tower, on posters, on the Chamber website, in the Chamber newsletter and on event signage.

Save Your Space in the Multi-Chamber Business Expo!

Members are encouraged to start making their plans to exhibit in the Chamber's upcoming Business Expo and After Hours on Monday, July 22 at the Hilton Chicago Northbrook.

In the convenience of one setting, 60 exhibitors showcase their business to over 400 area business and civic leaders. Presented by the Northbrook, Deerfield Bannockburn Riverwoods (DBR), and Glenview Chambers, the well attended event is heavily promoted throughout the North Shore with print and online advertising. The Expo provides a unique opportunity to introduce a new product or service, give a demonstration, and distribute product samples. Exhibitors can also liven up their space with a raffle prize or contest. The event is all inclusive with hospitality provided by the hotel.

"I always look forward to exhibiting my business at the Expo," says Dr. Gregg Gerstin, Align Wellness Center. "It gives me the opportunity to show Chamber members and other attendees what we do that is unique and different from all my colleagues. I encourage everyone to participate."

Early bird rates for exhibit space start at \$225. Sign Up Now -- every year, exhibitor space sells out. Sign-ups are on a first-come, first-served basis. Watch for more information in the May newsletter, or call Katie Walther at (847)513-6003.

Ravinia Plumbing, Heating & Electric received Carrier Corp's prestigious President's Award as an outstanding dealer in the HVAC industry. This is the sixth time Ravinia Plumbing has won the award, including the last three years.

Mark Solomon, **Solomon Asset Management**, will present a free workshop on getting the most out of your money in retirement on Wednesday, April 3, 11:00 a.m. as part of the Northbrook Public Library's series of personal finance programs for Money Smart Week, April 1-6. View a complete schedule of the Library's events at Northbrook.info/Money-Smart.

Upper Crust Bagels was reviewed by the editorial team of 22nd Century Media in The Northbrook Tower. The article included a description of the store's on-site smokehouse, New York-style bagel making process, and signature sandwiches.

Support **Heartland Animal Shelter** at the annual Bow Wow Bowling fundraiser at River Rand Bowl in Des Plaines on Sunday, April 7. Advance registration is \$25 and includes two games of bowling, shoe rental, refreshments, pizza, dessert, raffles, prizes. Visit HeartlandAnimalShelter.org for details and tickets.

Allstate has joined the Intelligent Car Coalition (ICC), a group dedicated to creating a safer, more efficient transportation system with autonomous and other advanced technologies. Allstate will apply its data and telematics expertise in as ICC members address issues of data access and ownership, safety, and liability concerns.

Gain valuable exposure at Northbrook's iconic summer festival **Northbrook Days** (July 31 - August 4) as an event sponsor. Benefits include signage, placement in newspaper ads and on the website, and other opportunities. For more information, e-mail info@northbrookdays.com.

Youth Services of Glenview/Northbrook presents its annual spring benefit on Saturday, May 4 at Chevy Chase Country Club in Wheeling. The "Flashback to the

Claire Veslino (left), BankFinancial and Chamber President Tensley Garris (right) congratulate Harvey Blender, Family-Safe Biking, the raffle prize winner at the February Business After Hours hosted by BankFinancial.

80s" event features live music by Tributosaurus, along with dinner, dancing, and live and silent auctions. To register, visit YSGN.org.

Pulse Technology was recognized by Northwest Indiana Business Magazine in three categories of its 2019 "Best of Awards." Pulse was named the "Best Place to Buy Office Equipment," and also honored in the categories for "Best Information Technology Consulting Firm" and "Best Place to Purchase Office Furniture."

Sandler Training presents a Prospecting Clinic on Wednesday, April 10, 8:30 a.m. to 4:30 p.m. at Sandler's Northbrook office. The session is designed to teach business development professionals to develop a prospecting system that brings leads to them. For more information, contact John Martin, john.martin@sandler.com.

The **Northbrook Park District** presents "Senior Week" April 22-26. Visit the Senior Center at the Park District Leisure Center, 3323 Walters Ave. for facilities tours, conversations with staff, and free drop-in programs. For details, visit NBParks.org or call (847) 291-2995.

Sunset Foods offers an assortment of prepared foods and specialties for Passover. Orders to the deli department should be placed no later than Tuesday, April 16. Visit SunsetFoods.com for details.

Former President Bill Clinton presented the keynote address at **Illinois Holocaust Museum and Education Center's** recent Humanitarian Awards Dinner. The event celebrated the Museum's 10th anniversary

and included remarks from Governor J.B. Pritzker, Chicago Mayor Rahm Emanuel, the museum's CEO Susan Abrams and other dignitaries.

The **American Cancer Society** in Illinois has launched "ResearchHERS: Women Fighting Cancer," a new initiative that engages women of influence to raise funds that directly support en-led cancer research and inspires the next generation of girls to pursue careers in science. The goal is to raise \$500,000 in the initiative's first year. Learn more at ACSResearchers.org/Illinois.

The **Northfield Township** Road District will host an open house on Tuesday, April 2, 11:00 a.m. to 1:00 p.m. at its new location, 237 Melvin Drive in Northbrook. Light refreshments and facility tours will be provided. A ribbon cutting is scheduled for 11:30 a.m.

Shred Spot was honored with a "Complaint Free Award" for 2018 from the Better Business Bureau of Chicago and Northern Illinois.

Chicago's North Shore Convention and Visitors Bureau presents "Museum Month" in April, featuring special discounts at local destinations including the **Chicago Botanic Garden, Illinois Holocaust Museum & Education Center, and Kohl Children's Museum**. For details, go to VisitChicagoNorthShore.com.

Business After Hours

Thursday, April 18

5:00 p.m.- 7:00 p.m.

Wiss, Janney, Elstner Associates, Inc.

330 Pfingsten Rd.

Complimentary for members, \$20 for guests

Get an insider's view of one of Northbrook's premiere companies when Wiss, Janney, Elstner Associates welcomes the Chamber to its global headquarters and its recently opened 70,000 sq. foot Janney Technical Center laboratories. Learn how this global firm of engineers, architects, and materials scientists helps its clients solve, repair, and avoid problems in the built world. Bring your business cards for networking in this unique setting.

Lawyers Networking Lunch

Wednesday, April 24

11:45 a.m. - 1:15 p.m.

The Claim Company, 3000 Northbrook Court

\$23 members, \$33 guests

Attorneys share ideas and make connections with professional peers at this lawyers-only event, with informal networking time, introductions, lunch and table networking.

Earth Day Presents Green Options for All

Saturday, April 13, Village Green Park

Local businesses and families can discover new strategies for sustainability at Northbrook's 29th Earth and Arbor Day celebration on Saturday, April 13. From 9:00 a.m. to noon, the Village Green will be filled with Earth-friendly products, conservation ideas, children's activities, and entertainment.

The event, which is presented by the Village in partnership with the Park District and Northfield Township Road District, is open to the public and free of charge.

A central highlight of the Earth Day event is an expo of local and regional exhibitors, promoting eco-friendly ideas and concepts for homes or businesses. Among the exhibitors will be Chamber members, Advanced Disposal Services, Align Wellness Center, Body Fusion Chiropractic, ComEd, Costco, Heartland Animal Shelter, Northbrook Farmers Market, Northbrook Park District, Northbrook Public Library, NorthShore University HealthSystem, Norwex, Reds Garden Center, and UL. Participants will demonstrate new technologies, explain renewable energy concepts, and offer free information and giveaways. New this year, a Speaker's Bureau will be held featuring speakers discussing various conservation topics. Businesses and organizations interested in exhibiting at the expo should contact Erik Jensen, erik.jensen@northbrook.il.us or (847) 664-4129.

Earth Day is a great opportunity for spring cleaning, with free recycling assistance available in the commuter parking lot on the west side of the train station. Acceptable recyclables include: paint (oil and latex only); molded Styrofoam; tires; CFL, LED and tube fluorescent bulbs; printer cartridges; household batteries; computers; TVs and other electronics; scrap metal; cardboard; and bicycles. Residents may also bring up to three bags of documents for free shredding services.

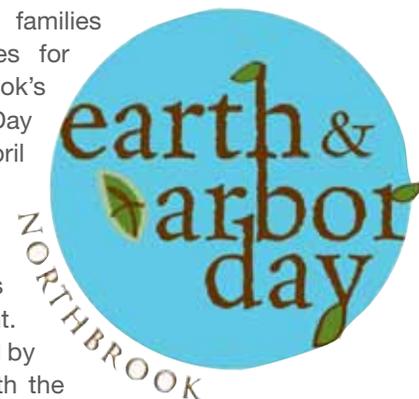

For the most current information on Earth Day activities and events, visit the www.northbrook.il.us/earthday.

Member Hosted Event: "Recession-Proof Your Business"

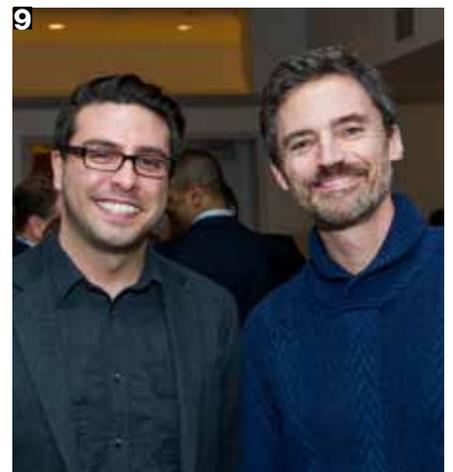

Tuesday, April 23, 9:00-11:00 a.m.

Presented by Alan Waner, Allegra Marketing; Ron Goldblatt and Patti Marshman-Goldblatt, NorthShore Loyalty; and Wayne Karlins, Reed Social Media Group

Maximize your most valuable asset by leveraging a framework of three critical success factors. Then dive deeper into the important roles of Social Media, Mobile Marketing and Direct Mail when used individually and together for maximum impact in good and challenging times to grow your business. The event will include networking, a light breakfast, presentations and a workshop to share experiences. Sign up at <http://bit.ly/423Workshop> or email ron@northshoreloyalty.com.

The Annual Meeting and Dinner at the Hilton Chicago/Northbrook brought together Chamber members and community leaders to honor our Business Award Winners.

1. Kaylie Provenzano, Avidia and David Telisman, David Telisman Communications. 2.
