

LEADERSHIP NORTHBROOK

Leadership Northbrook is a program designed to prepare individuals for civic leadership roles in the community. Since its start in 1987, the program's goal is to deepen the understanding of the area's challenges, resources, and opportunities, and to develop networks among emerging leaders. In addition to hearing presentations from area leaders and elected officials, participants also take part in leadership exercises to enhance individual skills and build a sense of teamwork within the group.

Beginning in September and continuing through April, sessions are held from 8:00 to noon once a month (exact dates for 2022/23 TBA). Each month the class meets at a different location including a few of Northbrook's signature businesses and institutions, with the program including a tour. The cost for the eight-session program is \$275 and includes all materials.

Leadership Curriculum:

History of Northbrook - Learn how geography, community priorities, and economics shaped the small town of Shermerville into modern Northbrook.

Planning, Zoning and Development - Gain an understanding of our local government and the benefits of managed community growth.

Business Climate and Taxes - Explore the relationship between the business and residential communities and how they relate within Northbrook's tax structure.

Transportation - Discuss traffic and transportation issues and effect on the local economy with representatives from local agencies.

Education - Examine the quality of education available at Northbrook schools.

Community Amenities - Discover the facilities and services of the Northbrook Park District and the resources of the Northbrook Public Library.

Municipal Services - Learn about services provided by Northbrook's Police Department and Fire Department.

Volunteerism in the Community - Explore the wealth of services provided by local nonprofits and service agencies, including opportunities for involvement.

Facility Tours: Leadership classes meet and tour a variety of public and private institutions. Planned site visits include Glenbrook North High School, Bernhard Woodwork, Police and Fire Stations, Village Hall, UL, and other destinations.

COVID Protocols: The program will follow all County and State safety protocols as well as policies of our host facilities. Class members are asked to stay home if they are feeling ill.

To apply for Leadership Northbrook, complete the questionnaire on the reverse side and return to: Northbrook Chamber of Commerce, 2002 Walters Ave., Northbrook IL 60062. Space is limited. Applications are reviewed on a rolling basis and will close on or before August 22, 2022.
